

SLFRF Compliance Report - SLT-0545-P&E Report-Q1 2022

Report Period : Quarter 1 2022 (January-March)

Recipient Profile

Recipient Information

Recipient UEI	LYM1ZJ6B7BM3
Recipient TIN	
Recipient Legal Entity Name	Kern County, California
Recipient Type	Metro City or County
FAIN	ERAE0271
CFDA No./Assistance Listing	
Recipient Address	1115 Truxtun Ave
Recipient Address 2	
Recipient Address 3	
Recipient City	Bakersfield
Recipient State/Territory	CA
Recipient Zip5	93301
Recipient Zip+4	
Recipient Reporting Tier	Tier 1. States, U.S. territories, metropolitan cities and counties with a population that exceeds 250,000 residents
Discrepancies Explanation	
Who approves the budget in your jurisdiction?	Legislature
Is your budget considered executed at the point of obligation?	No
Is the Recipient Registered in SAM.Gov?	Yes

Project Overview

Does your jurisdiction have projects to report as of this reporting period?	
---	--

Project Name: Access to health care services - Public Hospital

Project Identification Number	1119-7565
Project Expenditure Category	1-Public Health
Project Expenditure Subcategory	1.6-Medical Expenses (including Alternative Care Facilities)
Status To Completion	Completed
Adopted Budget	\$10,000,000.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$10,000,000.00
Total Cumulative Expenditures	\$10,000,000.00
Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00
Project Description	<p>Since 1867, Kern Medical a public hospital, has served as an integral part of the community, caring for the most underserved in Kern County. As a safety net and designated public hospital, Kern Medical has the unique opportunity to serve the most vulnerable populations. Since the beginning of the public health emergency, Kern Medical has been providing several COVID-19 related services to all residents, including housing and medical care for COVID-19 patients that required isolation, drive-thru testing sites, and mobile vaccination clinics for farmworkers and other high-risk populations. The allocation was used to cover the cost related to nursing staff so they could be available to care for the medical needs of those impacted with COVID-19 or to cover for employees impacted by COVID-19.</p>
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	2 Imp Low or moderate income HHs or populations
Secondary Impacted and/or Disproportionately Impacted populations	3 Imp HHs that experienced unemployment
Tertiary Impacted and/or Disproportionately Impacted populations	5 Imp HHs that qualify for certain federal programs
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	The project is structure to support medical services at a public designated hospital. The hospital provides services to individuals that cannot afford services at other locations and are either COVID-19 positive or are experiences the effects of COVID-19 in their health outcomes.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	Having the medical services required during the health emergency are reasonable and proportional to respond to the public health impacts of COVID-19. Without the services individuals would not seek medical care and the health outcomes of our community would be worse.

Project Name: Economic Stability - Premium Pay for eligible public employees

Project Identification Number	1119-8851-1
Project Expenditure Category	4-Premium Pay
Project Expenditure Subcategory	4.1-Public Sector Employees
Status To Completion	Completed 50% or more
Adopted Budget	\$22,429,954.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$22,429,954.00
Total Cumulative Expenditures	\$22,390,123.50
Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00
Project Description	The County of Kern continued to operate at all times throughout the COVID-19 Pandemic. While some offices temporarily closed or reduced on-site staffing, core functions of County government and services to the public continued. County employees continued to work in some degree during the pandemic (outside of office closures or leaves of absence). Many employees fell ill with COVID-19 or had family members or friends affected by the disease. Some employees assisted with efforts (including local, state, and federal programs) to test or vaccinate the general public locally during the pandemic. Employees continued to make sure the public was being served and protected, while dealing with their own risks, stresses, and difficulties related to working and living through the global pandemic. The County is proposing premium pay of \$3,000 for our public eligible employees.
Sectors Designated as Essential Critical Infrastructure Sectors	All County operations and employees were designated as essential.
Number of workers to be served	6,933
Premium Pay Narrative	All county employees are designated disaster employees. Furthermore, the County Administrative Officer, designated every employee essential. 1,776 employees that received premium pay and do not meet one or two criteria required, include individuals that were essential to the County operations, including Firefighters/Paramedics, Airport Administration, Road and Traffic and other service areas that could not be reduced to closed.
Number of workers to be served with premium pay in K-12 schools	0

Project Name: Co-Response Homeless Engagement Teams

Project Identification Number	1119-7661
Project Expenditure Category	1-Public Health
Project Expenditure Subcategory	1.12-Mental Health Services
Status To Completion	Completed less than 50%

Adopted Budget	\$2,500,000.00
Program Income Earned	\$77,547.08
Program Income Expended	\$77,547.08
Total Cumulative Obligations	\$102,092.24
Total Cumulative Expenditures	\$102,092.24
Current Period Obligations	\$102,092.24
Current Period Expenditures	\$102,092.24
Project Description	COVID-19 has had a clear and direct impact increasing homelessness , this project will implement four co-response teams pairing mental health workers and conservators with public safety to directly engage with the homeless community throughout the County.
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	7 Imp Other HHs or populations that experienced a negative economic

Current Period Expenditures	\$57,419.84
Project Description	COVID-19 has had a clear and direct impact increasing mental health issues in the community. This project will four additional Mobile Evaluation Team units to increase mental health response to those in crisis including the homeless population.

Please identify the dollar amount of the total project spending that is allocated towards evidence-based interventions	\$0.00
Is a program evaluation of the project being conducted?	Yes
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	7 Imp Other HHs or populations that experienced a negative economic
Is a program evaluation of the project being conducted?	Yes
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	This program has the objective of reducing the number of unsheltered individuals with mental health and substance use disorders that are experiencing homelessness as a result of the impact of health and/or economic impacts of the public health emergency.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	The program is targeting the unincorporated areas of the County and coordinates services with other agencies to ensure that we are providing services to the individuals affected by the public health and the negative impacts of COVID-19.

Project Name: Non-Congregate Navigation Center

Project Identification Number	1119-7664
Project Expenditure Category	1-Public Health
Project Expenditure Subcategory	1.14-Other Public Health Services
Status To Completion	Not Started
Adopted Budget	\$5,150,000.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$0.00
Total Cumulative Expenditures	\$0.00
Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00
Project Description	COVID-19 has had a clear and direct impact increasing homelessness. This project will create temporary housing solutions for individuals not able to function in congregate settings. The project includes services such as substance abuse and behavioral health services.
What is the Total expected capital expenditure, including pre-development costs, if applicable	\$3,500,000.00
Type of capital expenditures, based on the following enumerated uses	Affordable housing, supportive housing, or recovery housing

Project Name: Improve Educational Opportunities - Countywide Libraries

Project Identification Number	1119-8851-2
Project Expenditure Category	3-Public Health-Negative Economic Impact: Public Sector Capacity
Project Expenditure Subcategory	3.2-Public Sector Workforce: Rehiring Public Sector Staff
Status To Completion	Not Started

Adopted Budget	\$2,450,000.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$0.00
Total Cumulative Expenditures	\$0.00
Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00
Project Description	The Kern County Library system includes 24 branches and 2 bookmobile routes across the County. Over the last fiscal year, operations at all locations have been impacted due to capacity and social distancing guidelines, coupled with budgetary and staffing concerns. The project includes rehiring staff to the pre-pandemic levels.
Number of FTEs rehired by governments under this authority	44

Project Name: Lamont Stormwater Mitigation

Project Identification Number	2800-8106
Project Expenditure Category	5-Infrastructure
Project Expenditure Subcategory	5.6-Clean Water: Stormwater
Status To Completion	Not Started
Adopted Budget	\$10,000,000.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$0.00
Total Cumulative Expenditures	\$0.00
Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00
Project Description	The Lamont Stormwater Mitigation Infrastructure Project will divert and mitigate hazardous stormwater delivered from the Caliente and Walker Basin Creeks that has been the source of regular flooding in Lamont, California, and surrounding communities. The project will ensure roads remain open for emergency services, workplaces, schools, and commercial needs for economic sustainability, as well as reducing potential damages, hazardous contamination, and loss of life or property for these already economically burdened communities.

Project Name: Sewer - Ford City, Taft Heights

Project Identification Number	9145-8109
Project Expenditure Category	5-Infrastructure
Project Expenditure Subcategory	5.5-Clean Water: Other sewer infrastructure
Status To Completion	Not Started

Adopted Budget	\$7,000,000.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$38,545.48
Total Cumulative Expenditures	\$38,545.48
Current Period Obligations	\$38,545.48
Current Period Expenditures	\$38,545.48
Project Description	Reduced economic and public health burden from sewer damages. Increased public health and safety by promoting equal opportunities, implementing sustainable development, and promoting growth and better quality of life, the project proposed design and construction of approximately 12,505 feet of sewer replacement.

Project Name: Sewer - East Bakersfield/KSA

Project Identification Number	9143-8108
Project Expenditure Category	5-Infrastructure
Project Expenditure Subcategory	5.5-Clean Water: Other sewer infrastructure
Status To Completion	Not Started
Adopted Budget	\$2,000,000.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$6,712.45
Total Cumulative Expenditures	\$6,712.45
Current Period Obligations	\$6,712.45
Current Period Expenditures	\$6,712.45
Project Description	Reduced economic and public health burden from sewer damages. Increased public health and safety by promoting equal opportunities, implementing sustainable development, and promoting growth and better quality of life, the project proposed design and construction of approximately 3,652 feet of sewer replacement.

Project Name: Sewer - Northwest Bakersfield CSA 71

Project Identification Number	9329-8110
Project Expenditure Category	5-Infrastructure
Project Expenditure Subcategory	5.5-Clean Water: Other sewer infrastructure
Status To Completion	Not Started
Adopted Budget	\$6,000,000.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$5,987.64
Total Cumulative Expenditures	\$5,987.64

Current Period Obligations	\$5,987.64
Current Period Expenditures	\$5,987.64
Project Description	Reduced economic and public health burden from sewer damages. Increased public health and safety by promoting equal opportunities, implementing sustainable development, and promoting growth and better quality of life, the project proposed design and construction of approximately 21,900 feet new sewer trunk line.

Project Name: ETR/BAS Job Training

Project Identification Number	1119-7163
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.10-Assistance to Unemployed or Underemployed Workers (e.g. job training, subsidized employment, employment supports or incentives)
Status To Completion	Completed less than 50%
Adopted Budget	\$170,000.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$41,124.59
Total Cumulative Expenditures	\$41,124.59
Current Period Obligations	\$13,844.59
Current Period Expenditures	\$13,844.59
Project Description	This project will consist of training in the restaurant industry for individuals that have difficulty obtaining employment. In addition, it will assist the restaurant industry that was severely impacted and has difficulties recruiting qualified employees.
What is the Total expected capital expenditure, including pre-development costs, if applicable	\$60,897.00
Type of capital expenditures, based on the following enumerated uses	Schools and other educational facilities
Please identify the dollar amount of the total project spending that is allocated towards evidence-based interventions	\$0.00
Is a program evaluation of the project being conducted?	Yes
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	3 Imp HHs that experienced unemployment
Is a program evaluation of the project being conducted?	Yes
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	The pandemic has changed the way food is prepared, as well as the job training of servers and cooks. With the proposed allocation, improvements to the training facility will provide training in the digital world which is instrumental to hiring within the restaurant business. These improvements will provide additional equipment as and online learning library materials. The socio-economic backgrounds of students are varied. The overwhelming majority of students have barriers to employment.

Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	The restaurant industry was severely affected by the pandemic. Providing well trained individuals will assist the industry and the individuals that are experiencing unemployment.
---	--

Project Name: ETR Transitional Jobs Program

Project Identification Number	1119-8851-3
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.10-Assistance to Unemployed or Underemployed Workers (e.g. job training, subsidized employment, employment supports or incentives)
Status To Completion	Not Started
Adopted Budget	\$550,000.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$0.00
Total Cumulative Expenditures	\$0.00
Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00
Project Description	This project will fund programs provide direct and needed job training for the chronically unemployed that have significant barriers to employment, which have been disproportionately impacted by COVID-19.
